2023 Summer Fun-Raiser

Sunday, August 13, 2023, 4 - 7 p.m.

Atlanta International School Auditorium

Come join us to see the fruits of Board Secretary, Frank Virgin's research revealing old photographs of what was there "Then" juxtaposed with his photographs of what is there "Now". You will also enjoy a trivia game with Thornton Kennedy which will challenge your knowledge of Buckhead's significant heritage.

Guests are encouraged to bring a favorite small item of Buckhead memorabilia to display on the "Memory Lane Table" (maybe an ashtray from a former restaurant, a postcard, or a program from an event). If you are interested in being part of the "Memory Lane Table", please [click here](#), download the form, complete it, and submit the form to rwaterhouse@buckheadheritage.com so we can have information for the item on the table.

There will be a full bar all afternoon along with a sit-down, "Summer Supper" of fried chicken with all the trimmings, topped off with strawberry shortcake and watermelon slices.

James B. In that role and as president of the Society for Georgia Archaeology, he worked closely with multiple tribal groups to research and author two landmark pieces of legislation that protect human remains and culturally significant sites in Georgia. The Coosawattee Foundation also works to educate the public and dispel stereotypes about Native American cultures.

Mr. Langford is a frequent lecturer about the early inhabitants of Georgia. He is the author and co-author of academic research related to the Mississippian period and early Spanish contact in Georgia. His co-authored work on Mississippian period ceramics has been used for more than 30 years as the definitive research and laboratory ceramics guide for professional archaeologists and the general public.

Executive Director's Report

As you can see by the articles above, Buckhead Heritage is very busy with programs, services, and events.

We appreciate your support in meeting our mission. We are doing this in many ways including: forming two task forces, Historic Bagley Park and The Historic Eretus Rivers Historic Lodge, presenting quality programs each month, and providing research information about the history of Buckhead.

I am happy to speak to clubs or groups interested in Buckhead Heritage and the history of Buckhead. Our area is so rich in history and I look forward to sharing that with you.

We are always looking for volunteers to be on our committees including Communications, Membership, Programs and Events, and Preservation. If you are interested in any of these committees, please let me know.

Once again, thank you for your support of Buckhead Heritage. We are very lucky to have you involved.

Take care, Richard Waterhouse
