

Buckhead Heritage News

March 2017

The first installation of Buckhead Story Lines shows a historic view of the Buckhead Theatre from Loudermilk Park.

A Sign of the Times

Buckhead Heritage is pleased to announce the unveiling of its first installation of Buckhead Story Lines – a master plan for incorporating Buckhead's history into the spaces we share.

The installation is the result of a three year community collaboration that grew out of the Buckhead Greenspace Action Plan. The site-specific work, which was designed for Loudermilk Park, focuses on the history of Buckhead's commercial core and its development over time.

Please join us at the Buckhead Theatre at 11am Tuesday, April 11th for a reception and ribbon cutting celebrating the completion of the master plan and the history of our community! This event is free, but space is limited. To reserve your spot, please email cmcdonald@buckheadheritage.com or call 404-467-9447.

Don't Know Much About History?

Buckhead Heritage's first *Buckhead's Hidden Secrets: A History Scavenger Hunt* was a tremendous success and we are pleased to announce that it is back by popular demand in 2017! Mark your calendars for Sunday, April 30, 4pm-7pm.

This year we will gather for drinks at the historic Bobby Jones Golf Course Clubhouse before embarking on the history-themed scavenger hunt through Buckhead in chauffeur-driven vehicles. Teams of guests will compete against each other to solve clues, seek out historic locations, and take photos related to the community's past. Each successfully resolved riddle will be worth points.

At the end of the hunt, guests will return to the Golf Clubhouse for barbecue and a rousing closing celebration where prizes will be awarded to the winning teams.

No history degree required to join this fun-filled event!

For more information, or to purchase tickets please visit [Buckhead's Hidden Secrets](http://www.buckheadheritage.com) on our website.

Preservation Month Lecture

"A Brief History of the White House and Its Preservation"

7pm, Thursday, May 11th

Sardis United Methodist Church

Our first President never lived in the White House but he was responsible for its design by sponsoring a design competition. Even after many changes to its size and architecture over the decades and centuries, the original appearance of the house remains recognizable today. Join Neil Horstman, former President of the White House Historical Association, as he traces the evolution and preservation of this iconic symbol of the American Presidency and our democracy.

Tickets are \$10 per person for Buckhead Heritage members and \$25 per person for non-members. To make a reservation, please email cmcdonald@buckheadheritage.com or call 404-467-9447.

Don't Let Buckhead's History Become a Thing of the Past

For the past ten years, Buckhead Heritage has worked with private citizens and community leaders to protect the resources that define this special place and to ensure that they are incorporated in future growth for the benefit of generations to come.

With your support, Buckhead Heritage has led the preservation of historic Harmony Grove Cemetery, played a critical role in the relocation of the Randolph Lucas House and developed an award-winning community-wide plan for incorporating local history into the spaces that we share.

But historic preservation is not just a movement about buildings and the past - It is about people and the future. We invite you to join us as we continue to advocate for the structures and stories that define Buckhead's history. [Join or renew](#) your membership today!
